Warning:

The company Candia Technology srl has created the website "www.candiatechnology.it" with the aim of optimizing its information assets and making information about the company and its products available on the net.

Before consulting this site, the visitor is asked to carefully read the conditions below, since the use of the site implies full acceptance of the conditions.

Copyright - Conditions of use of the published material

Unless otherwise indicated, all material on this site - including, therefore, all elements of the graphic interface and images that are not already protected by copyright - is owned and copyrighted by Candia Technology srl.

The contents of the pages of the site are reserved and therefore can not - neither totally nor partially - be copied, reproduced, transferred, uploaded, published or distributed in any way without the prior written consent of the undersigned company; for personal use, however, it is allowed to store them in your computer or print out extracts.

Any violation will be prosecuted, without any notice, through the legal actions required by current legislation.

Quotations are available for news, criticism or review, provided they are accompanied by the name of the author and the indication of the source, including the web address.

The contents offered by the Candia Technology srl website - which may be modified at any time and without any prior notice - are prepared with the utmost care and diligence, and are subjected to careful scrutiny before being published.

The undersigned company, however, disclaims any and all liability towards users and other third parties for any delays, inaccuracies,

errors, omissions, arising from the aforementioned content; the reporting of any errors or inaccuracies is welcome.

More generally, unless otherwise indicated by law, Candia Technology srl can not be held responsible in any way for damages of any kind caused - directly or indirectly - by access to the site, by the inability or impossibility to access it, by relying on the veracity of the information contained therein or their use.

It is already noted that information on the Candia Technology srl website could only concern the Italian market.

Link disclaimer

The links from other sites to the first page of the "www.candiatechnology.it" website or to its internal pages (c.d. deep linking) are permitted without any authorization request; communication of the successful coupling is however welcome.

Candia Technology srl, however, reserves the right to request the removal of links to their site if they were placed on sites with obscene content or otherwise contrary to good customs, as well as illicit or offensive or detrimental to their image.

In the absence of prior written authorization from the undersigned company, framing and any other form of similar reproduction are expressly forbidden.

Holder of the processing of personal data
